Exaugural Address

By Roland J. Desrochers

Delivered on Monday, January 3, 1966

Tonight marks the completion of my fourth term as your Mayor. For the honor and privilege of having served you I am deeply grateful and sincerely humble. The experience which I have gained and the education which I have received as Mayor will prove invaluable to me as the years go by. It is an experience and an education which is unique in itself and which can be obtained in no other way.

As a new administration is about to take over, it would not be prudent of me to spend a lot of time reviewing the events of the past year. However, I would like to mention just one item which I feel is of the utmost importance to the City of Franklin. That item is the Henry J. Proulx Community Center. During this past year the council purchased the old armory from the state and established it as a Community Center, primarily for the use of the children of this community but also keeping the door open so that the facilities can be used by all of the people, both young and old alike. To me this has been a most important step toward the proper development of our most important assets, the young people of our community. I sincerely hope that future administrations will improve on what we have started.

I want to take this opportunity to express my deep appreciation to all of the city officials and to the members of City council for the cooperation and assistance which they have so conscientiously given to me as Mayor during this past year. For this I am deeply grateful.

To each and every one of you I extend my most sincere wish for a Happy and Prosperous New Year.

Inaugural Address

By Rolfe W. Camp

Delivered on Monday, January 3, 1966

To the people of Franklin, I want to take this opportunity to thank you for electing me to the office of Mayor for 1966. This I humbly accept.

I would like to thank Mr. Roland Desrochers and the retiring council members for the fine job that they have performed in governing the city affairs; to these men we give a vote of thanks.

The city government will be faced with several important issues in the year of 1966. These could be listed in part as follows: alterations and repairs to some of our city buildings, bridge repairs, sewer disposal program, city planning program. The most important thing is to try and operate the city government on a sound and economical basis.

I will recommend to the Land & Building committee that a study be made of the old recreation building at the High School to see if there is some part of this building that can be salvaged. I feel that a part of this building can be used to the advantage of High School facilities.

The Fire Station has been under discussion for the last few years, but little has been done to solve the problem, only on a temporary basis. I do not recommend a new fire station at this time, as I feel that a remodeling job can solve several very serious problems. In my opinion the location of the Fire Alarm equipment is in a very dangerous area, as it is situated between the fire trucks. This equipment and radio equipment should be in a fireproof room. Any alterations that I would recommend would be a definite step to help preserve the building, by making it fire resistant; and at some future date when a new fire station is built, this present building could be turned over to the highway department for storage of equipment and no money wasted.

At some future date the governing body has got to take a good long look at our city hall and offices for the following departments: Police department, District Court, Tax Collector, Overseer of the Poor and toilet facilities. Some of these quarters are not too impressive to a person that wishes to settle in Franklin. This building is sound in construction, well located with ample parking space. We have fine schools, churches, recreation facilities but our city hall has not been kept up to date.

The work at Odell Park pond will not be completed in full this fall but the balance of the work will be completed as soon as the weather permits. When completed this area will be an added asset to the recreation facilities. With the new Henry J. Proulx recreation building located so near Odell Park, we should put all our effort in making this playground a pride of the city.

There are several improvements that I will recommend to the highway committee. First an accounting system be installed to keep

a cost breakdown of all phases of work that is performed by this department. A complete inventory of all equipment and parts. Also a preventive maintenance program for all rolling equipment. This type of program is carried on by all highway departments in neighboring cities. This is the only way a highway department can be run economically and efficiently.

From my observation, the rest of the departments are well housed and very well manned. This credit goes to the previous governing bodies.

With the cooperation of all departments working for one common goal, we can operate this city efficiently and economically and make our city a fine place to live and educate our children.

There is one event that a lot of people look forward to in this city and that is the school parade that takes place just before the close of school. When all of these students are marching on Central st. at one time, this should give us an idea of the size of our school system. We are fortunate to have sound school buildings and fine teachers, good athletic and recreation facilities. This is an asset to any city and I hope we can maintain this high standard of education without increasing our school budget.

In all budgets from all departments there has got to be a leveling off point or with very little increase. I hope that it will be this year.

We are fortunate to have a diversity of industries in our community and I want to wish management every success; success to industry is success to all of us.

I wish every person in the city of Franklin a Prosperous New Year. In closing I hope the students will enjoy this inauguration.

Mr. Donald Cushing, the City Solicitor will explain the procedure and operation of the balance of this council meeting.

1966 Council Committee Reports

Delivered January 2, 1967

PUBLIC WORKS COMMITTEE

Sheldon E. Morrill, Chairman

Gordon Hanchett, Engineer, (Resigned June 1, 1966), Earl Nowell, Foreman, Clerk; Edward Grzelak, Superintendent, (Aug. 1, 1966) Alan Cooper, Chief Mechanic.

A first for the department is the establishing of an effective book-keeping system which has been a very valuable asset to the operation of the department throughout the year.

New Equipment Purchased:

Garbage Packer, \$4,895.00; Sewer Rodder, \$3,979.00; Tire Remover \$342.00; Time Clock \$225.00; Pick up Truck, \$3,243.00; Cement Mixer \$300.00; Calculator, \$295.00; Water Cooler, \$176.00.

Street Improvements:

Hot Top Mix (Done under contract) —

East Winnepesaukee st. 255'; Summit st. 320'; River st. 1,000'; Kendall st. 3,680'; Total Length 7,773; Liberty Ave. 540'; Winnepesaukee St. (River to Elkin) 285'; Elkins st. (Grove to High) 913'; Edwards St. 780'; Total Tons 1,631.9 Total Cost \$13,306.90.

Streets Graveled and Penetrated (By Dept.) —

Lincoln St., Francis St., Pine Nook Rd., Glen st.

Streets Rebuilt (By Dept.) —

Monroe St. 1800', Valley St. 600', Summit st. 1000', Spring st. 400', Sundial Rd. 1000'.

T. R. A. Project —

Ward Hill Rd.. - One mile of construction, road rebuilt, graveled, penetrated, sealed. Built under the supervision of the State Highway Dept. with the use of City Dept. equipment whenever possible.

Streets Sealed (Oiled) (By Dept.)

Memorial st., Spring st., Winnepesaukee st., (View to Prospect) Stone Ave., Edgwood st, Auburn st., Oak st., Pleasant st. (Oak to Colby) Davis St., Leach Ave., East High st., Ayles Ct., Monroe st., Clark st., Charles St., Chestnut st., Sanborn st., (Park to Pearl) Franklin st., (South of Grove) Sundial Rd., Valley st., Summit st., Maple Sq., Burley st. Total Length 19,030' (3.6) Miles.

Total Bituminous Oil Used 42,000 gals. Oiling Sts. 23,000 gals., Sealing Cracks 1,000 Gals., Mixing Cold Patch 1,000 gals.

Special Projects —

Wescott Concrete. (Drain Line) Ferncliff Rd., (Sewer extension), Birch St., (Drain Line). Depot St., (Drain Line) Lagasse Beach, (Jetty), (Channel Dredged) Skating Pond, (Dredged).

POLICE COMMITTEE

Charles Pierce, Chairman

1. The Franklin Police Department consists of Chief of Police, James C. Nowell, Jr., Police Officers, Kenneth Bright, Edward Bozek, Robert

Magoon, William Miller, Forrest Powers, Theodore Morrell and Roland Beaulé, also the Police Committee, Charles Pierce, Chairman, Edward Chateaufort, and Alexander Lachiatto. There are also thirty-five Special Officers who supplement the regular Police Force.

The additional eighth man was added to the Police Department in 1966 and is on duty three nights a week in West Franklin to stop acts of vandalism, take care of juvenile complaints, traffic complaints and violations, and the traffic hazard that is being created by more places of business such as the new shopping center on South Main Street. Another reason for the additional man is the number of breaks and armed robberies in the middle and southern parts of the state. These same problems arise in the main part of Franklin, and this additional officer is used three days a week in this area to deter these situations. In addition to this, the eighth man is used for criminal investigations, enabling the Police Department to maintain a Police Officer in the main business district, rather than take him off for investigation purposes.

2. Due to the lack of people parking and shopping the Central Street business district, which might have been caused by the presence of parking meters, the Police Committee and the Police Department recommended that the parking meters on Central and Franklin Streets be suspended for a trial period of one year. The purpose of this was to try to restore business to the Central Street shopping district. This did not apply to the Canal Street Parking Lot.

3. Due to wider coverage which must be supplied by the Police Department in answering complaints, making accident investigations, malicious damage reports, and repeated vandalism in the outskirts areas of the city a new 100 watt police radio was purchased and installed at Police Headquarters. This radio is a transistorized unit which cuts the repairs to this unit to a minimum.

4. The Police Department, with the Police Committee, instituted a Child Pedestrian Safety Program in conjunction with the Green Pennant Safety Program. This program includes an award presented by the Police Department, Pedestrian Safety talks by the Police Department, as well as newspaper articles and the Child Pedestrian Safety Program. Under this program extra cross walks were painted additional safety signs erected and painted on pavements, and crossing guards were assigned to hazardous crossing areas.

5. Two police officers were sent to a New Hampshire Police Training School in Concord in the spring of 1966 and an additional two officers were sent in the fall of 1966. This makes a total of seven police officers who have taken an extensive Law Enforcement Course.

6. A Police Clerk, namely Jane LaBelle, was hired to take over the duties of Clerk in the Police Department. These duties consist of: secretarial work, such as filing several years of records and case histories, typing and filing accident reports, taking statements in criminal cases, and operating the copying machine, which is used for all departments; also acting as matron when necessary. The clerk, under the direction of the Chief, maintains a detailed set of books in regards to budget expenditures and additional income from other sources.

She is also available to any department needing secretarial service.

7. The Police Department has organized a Crowd Control Squad consisting of twenty-five men. These men were trained in crowd control by officers sent to the Crowd Control School in Concord, sponsored by the State Police in Concord and the N. H. National Guard. The City appropriated funds, which were matched by the local merchants, to buy such equipment as deemed necessary for the protection of the members of the squad.

8. Upon recommendation of the Police Committee and the Police Department, a sign machine was purchased to make standardized traffic control signs and street signs. Both are reflectorized. The cost of these signs was reduced by approximately 50% by the use of this machine.

9. New office equipment, such as filing cabinets, was purchased in order to expand the record files in a more orderly and efficient manner.

10. For the first time in the history of the Franklin Police Department, the Police Officers are displaying arm patches on their uniforms. On these arm patches is the City Seal of Daniel Webster.

11. In 1966, the Police Department, through the cooperation of the people of the City of Franklin, received the 11th Year Pedestrian Safety Award from the N. H. Division of the American Automobile Association.

12. For the first time in the history of Franklin, the Police Department is equipped with two police cruisers. One is equipped for patrol duty, and the other for emergency duty, transports for escorts, and to supplement the regular cruiser when necessary.

The Police Department as a whole has functioned smoothly and efficiently in 1966 and law enforcement in the City of Franklin has increased considerably over the past year, as substantiated by police records and court cases.

As the records show, the Police Department today is no longer a small town Police Department, but a big business, and should possibly still be increased by one more man. The ultimate goal of the department is to make Franklin a better and safer place in which to live.

FIRE COMMITTEE

Howard R. Kelley, chairman

A report of improvements in your Fire Department in 1966 toward meeting the requirements of the Board of Fire Insurance Underwriters.

One man was added to the regular force in July. Two call men were added to the Department in July. A 2,000 gallon tractor-trailer was acquired, at no cost to the City, from the State Forestry Dept. This unit has been completely sanded, repainted, stenciled and equipped for forest fire and rural area fire work outside the hydrant district.

A 400 gallon forest fire trailer was purchased in November. We bought a 3,000 watt generator for emergency lights and smoke ejector use. One smoke ejector was purchased in September.

Two new ladders for Engine No. 2 were purchased for replacement,

600 feet of 3,4" booster line was purchased for replacement. 30 feet of 4 1/2" suction hose was purchased for replacement. Four new Scott Air Pack Tanks were purchased in August. One portable radio was purchased in October. One new auxiliary air tank to improve fire horn operation was bought. One new fire alarm box and pedestal for Central street at the corner of Franklin street. Box 251, purchased in September.

Four new snow tires for the tank truck were purchased. One new office file to improve records system to meet Underwriters requirements was purchased. New fire alarm wires were installed from the corner of Central street to Electro-Circuits on North Main street.

40 crossarms have been replaced. The life net has been tested and repaired. The company service man has tested the aerial ladder truck and equipment for proper operation and maintenance. One Sawzall a metal saw) has been added to the equipment on the Rescue Truck for automobile rescue work. A building was torn down on Salisbury street, for lumber to be used at our Fire Training Ground off Victory Drive.

By making some improvements each year, we hope to receive a higher class rating at the next Underwriters' evaluation, thereby earning a reduction in fire insurance rates.

Mr. Mayor, we thank you for the privilege of serving on this committee.

LANDS AND BUILDING COMMITTEE

Robert C. Hinds, Chairman

The following is a report of the Lands and Building Committee's budget and progress for 1966. Also a look into the future. The committee is made up of three councilmen: Councilmen Gosselin, Councilmen Morrill and myself. All repairs, maintenance, and major improvement to buildings belonging to the city of Franklin come under this committee's jurisdiction, namely the City Hall and the Henry J. Proulx Memorial Recreation Center.

Starting with the City Hall, the council appropriated the sum of \$11,000 for this building broken down into five categories: Janitor-\$3800, lights - \$1000, supplies \$500, Heating oil - \$3,000, and repairs to the building \$2,700. All moneys in this budget were spent with the exception of the repairs, which according to my figures show about \$300 in the black. Under the repair portion of the budget, the following items were accomplished; a new floor washing and polishing machine was purchased along with a new table and twelve chairs for the mayor's office, hot water heater for janitor's supply room, new fluorescent lighting council chambers. Coco Mats for all entrances, minor wiring and plumbing repairs to the building, replaced the glass in the showcase in front of City Hall half of all the windows in the building were put back into condition by putty caulking and painting and replacing broken lights of glass and window weights. It is expected that the other half will be put into this years budget. Also about \$400 was spent in the police station installing some new storage cupboards and rearranging an already overcrowded situation. Back in the early

months of 1966, a request came in from Judge Robert Hoyt to explore the possibility of securing more space for the District Court. This we did with no success. It's quite obvious to some councilmen and myself that the following departments in the City Hall are inadequate in space needed to properly conduct their business in a business-like manner, the District Court, Police Department, Visiting Nurse, Overseer of the Poor and City Assessor. As chairman of the Lands and Building Committee, I want to urge you, Mayor, to appoint a special committee as soon as possible to explore the possibility of remodeling the Interior of this building, so that more space can be obtained for these departments, especially the District Court, which brings in some ten to eleven thousand dollars in net income to the city each year.

The next budget report is that of Henry J. Proulx Community building, which totaled \$5,300 broken down into five categories; heating oil - \$2,000, lights - \$1,000, repair \$730, additional improvements, \$1,080, and new equipment \$490. All moneys in this budget were spent except some \$400 in the oil account. But we underestimated our light expenditure by \$58. The following was completed at the Recreation center - new prefinished panelling on two bottom floor walls, new drinking fountain, electric hot water heater, screens on all windows in the main hall to protect the glass from basketballs, some minor wiring and plumbing changes in the boiler room, new rubber floor runners in the gym, and a new controversial sink for the kitchen. Franklinites surely can be very proud of the recreational facilities we now have in this building. It takes second place to none in the state. With proper continuation of preventative maintenance by the Lands and Building committee, this building should provide many years of entertainment and good recreation for our young people in Franklin. But no recreation program can be really complete without an indoor swimming pool, and speaking also as a tax payer I personally want to urge the Parks and Recreational Committee to at least set their sights on this goal, for someday in the future, I realize that this would be very costly, but it's not beyond the realm of possibility, and could be incorporated into the present building.

The year 1966 also saw the Lands and Building Committee transacting some city property in the city's behalf, and at the years end the demolishing of the old recreation center by Spears Construction Company of Laconia at a total of \$1325, to be taken out of the 1967 budget.

Being a freshman councilman in 1966, I have learned a great deal about how city government functions, and I hope I have contributed in some way in making Franklin a better place in which to live, work, and play, this I believe is the only real reward that my fellow councilmen and I are looking forward to, as your public servants.

CLAIMS COMMITTEE

Edward R. Chateaufneuf Sr., Chairman

We were indeed fortunate that there were no claims filed against the City of Franklin in the year 1966.

However, there was a claim against the City of Franklin several years old that had not been settled.

This claim was for damage to the cemetery fence, claimed to be caused by the plowing of snow and this was brought to our attention. Approximately two months work went into obtaining a settlement due to the age of the claim.

We are pleased to state that the claim has now been settled and payment made.

I would like to hereby state that many thanks go to the Trachy Agency who worked diligently for the payment of this claim, even though they were not the agency for this policy.

DANIELL PARK DEVELOPMENT COMMITTEE

Alexander Lachiatto, Chairman

The Daniell Park Development Committee for the year 1966 was composed of Alexander M. Lachiatto, Chairman, Richard Gosselin and Charles Pierce. Each year the Council has appropriated the sum of \$1,000.00 for the upkeep of this area, which includes the Veterans Project. The appropriation has been used for various items in the past years, to name a few, installation of street lights, installation of curbing and road repair.

This year the road leading into Daniell Park from Liberty was repaired and oiled, and the balance of the money left after this project was completed was allocated to the road work specifically on the Western end of Liberty Street.

INSURANCE COMMITTEE

Alexander Lachiatto, Chairman

The Insurance Committee for 1966 was composed of Alexander M. Lachiatto, Chairman, Roger Pouliot and Charles Pierce.

"The Committee's function is to see to it that the city's assets are properly insured. Of course the City's employees are also insured under the Employees' Unemployment Compensation Law but this is mandatory.

The Committee meets with the various insurance agencies in Franklin, and the matters of coverage, on the various assets and the premiums are discussed, in addition to a general view of the past years insurance program along with any recommendations or changes deemed necessary.

The total appropriation in 1966 budget for insurance was \$15,320.56.

STREET LIGHT COMMITTEE

Howard R. Kelley, chairman

We submit the following report of improvements in our street lighting:

Seven new 3500 lumen mercury lights were installed at new locations.

Twenty-eight street lights were increased in size, from 1,000 lumen incandescent to 3500 lumen mercury at same locations.

Five 1,000 lumen incandescent lights were removed; and

Five 3500 lumen mercury lights were installed at new locations.

HEALTH AND WELFARE COMMITTEE

Richard Gosselin, Chairman

Health and Welfare report for the year ending December 15, 1966, as taken from the monthly reports:

Total appropriation - \$50,000.

The following is a breakdown on how it was spent: Regular Aid - \$8,723.09, approximately 12 families; Child Boarders - \$4,466.12, approximately six children; Administrative Cost - \$4,146.93; City Expense - \$411.28; Old Age Assistance - \$31,847.54, approximately 92 persons which includes old age assistance, total disability, and aliens over 65; Miscellaneous \$170; Total \$49,764.96.

\$2,315.97 returned to the city as surplus. That gives a total of \$47,448.99, less credits. So the approximate net total spent this year is \$45,000.

The committee would like to take this opportunity to thank Mr. Ayotte for his cooperation this past year.

ORDINANCE COMMITTEE

Roger Pouliot, Chairman

The following Ordinances were passed by the City Council in 1966:

1. An Ordinance amending the Ordinances pertaining to traffic regulations. This Ordinance amends Chapter 13, Sections 15a, 15b, and Section 15c of the Traffic Regulations.

The purpose of the Ordinance was to clarify areas within the city that needed to be controlled with 2 hour parking; to provide a graduated scale of fines for Violation of the Ordinance and to provide violators the opportunities to pay fines at the Police Station, thus eliminating the necessity of Court Proceedings in most instances.

2. An Ordinance Amending the Ordinance Pertaining to Loitering.

The purpose of this Ordinance was to provide for coverage of Municipal lands and buildings and other Public Places not specified by the previous Ordinance.

3. An Ordinance Pertaining to the Drinking of Liquor or Beverages. The purpose of this Ordinance was to control the drinking of alcoholic beverages on Municipal and Public properties within the City. The Ordinance provides for drinking of alcoholic beverages in Municipal Buildings by written permission of a committee consisting of the Mayor, the Chairman of the Police Committee and the Chairman of the Parks and Recreation Commission of the City of Franklin.

An Ordinance Pertaining to the Duties of Pedestrians (Jaywalking) was proposed by the Committee in conjunction with a Pedestrian Safety program and was not passed by the City Council.

Preliminary work on an ordinance pertaining to the cleaning up of fired, unsafe or unsanitary buildings was undertaken by the committee. Recommendations will be made on this Ordinance in 1967.

City Government

OFFICIALS

MAYOR

Elected annually on the fourth Tuesday of November. Salary \$2,000.00

Rolfe W. Camp

Members of City Council

Elected by wards for three years. One member from each ward.
Elected on the fourth Tuesday of November annually. \$25.00 for each regular Council meeting attended.

Ward 1	Term Expires.
Sheldon Morrill	January, 1967
Howard Kelley	January, 1968
Edward R. Chateauneuf, Sr.	January, 1969
Ward 2	
Alexander M. Lachiatto	January, 1967
Richard Gosselin	January, 1968

Auditor's Report

CITY OF FRANKLIN, NEW HAMPSHIRE

FOR THE YEAR 1966

February 13, 1967

To the Honorable Mayor and City Council
City of Franklin
Franklin, New Hampshire
Gentlemen:

In accordance with our agreement, I have made an examination of the books and records of the City of Franklin for the year ended December 15, 1966 and in this connection am submitting my report consisting of exhibits and supporting schedules.

SCOPE OF AUDIT

The examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and of the supporting evidence as was considered necessary under the circumstances. A substantial number of verification letters were mailed to the open accounts on Property and Poll Taxes. Except for the Taxes, Accounts Receivable and some year-end adjustments, the general books of the City are kept on a cash basis.

BALANCE SHEET — GENERAL FUND

EXHIBIT A

The Balance Sheet, General Fund, represents the financial condition of the City of Franklin as at the close of business December 15, 1966. Exhibit A, Schedule 3 is a Comparative Balance Sheet showing the increases and decreases in the various accounts between the years 1965 and 1966.

CASH ON HAND AND IN BANK - \$68,530.41

The cash in the bank was reconciled to both the bank statement and the confirmation received directly from the depository, while the cash on hand was verified by count. All checks cancelled during this period were compared with the cash disbursements records and the receipts were traced to the bank deposits. However, as a result of the confirmation of the Property taxes Receivable, cash receipts totalling \$3,601.00 were not recorded in the books nor was the cash on hand on December 15, 1966. I urge that the Council consider establishing a more effective internal control over the cash collections.

ACCOUNTS RECEIVABLE - \$383.86

ACCOUNTS RECEIVABLE —

PARKING AREA CONTRACTS - \$4,167.90

A listing of the open balances was in agreement with the above control. I suggest that the Council take some action on the Accounts Receivable - Parking Area Contracts as they appear to be uncollectible.

TAXES RECEIVABLE - \$151,582.71

Exhibit A, Schedule 1 shows the activity in the Taxes Receivable account. The cash receipt stubs representing collections on Poll, Property and Head Taxes were checked to the cash receipts records and to the tax warrants. Several hundred verification letters were mailed to the open accounts and as was stated in the Cash item, some of the letters returned reported the payment of their taxes, but which obviously had not been credited to the accounts in the Tax Warrant. The total was \$3,601.00.

The 1966 Tax Warrant was completely footed and compared with the Tax Warrant control. The tax rate of \$55.40 per thousand was confirmed directly with the New Hampshire State tax Commission.

UNREDEEMED TAX SALES - \$37,797.40

PROPERTY ACQUIRED BY TAX DEED - \$1,684.46

These items were accepted as shown on the books and represent property acquired because of nonpayment of taxes.

HEAD TAXES RECEIVABLE - \$6,735.00

This item represents the unpaid Head Taxes for the year 1966 and is in agreement with the control. When collected, these taxes are payable to the State of New Hampshire.

TEMPORARY LOANS IN ANTICIPATION OF TAXES - \$200,000.00

The Temporary Loans in Anticipation of Taxes was independently verified with the First National Bank of Boston.

RESERVE FOR HEAD TAXES - \$7,669.50

This amount represents the City's liability to the State of New Hampshire on the 1966 Head Taxes and is liquidated with the receipts from the Head Tax Levy.

PARKING METERS - \$908.45

The above caption represents the balance in the Parking Meter account after charges of various expenditures and transfers approved by the Council.

SURPLUS - \$72,017.43

Exhibit A, Schedule 2 details the changes in the Surplus account.

BALANCE SHEET - GENERAL INDEBTEDNESS

EXHIBIT B

The Balance Sheet discloses the City's liability with respect to bonds and notes as at December 15, 1966.

The cash in the various banks was reconciled to both the bank statements and the independent confirmation received from the depositories.

All bonds and coupons cancelled during the year were produced for my inspection and the outstanding coupons reconciled to the bank statements.

BALANCE SHEET — TRUST FUNDS

EXHIBIT C

The Balance Sheet, Trust Funds, records the Assets and the sources of such Assets in the Custody of the trustee of the Trust Funds.

CASH IN THE BANKS — \$41,161.30

The cash in the Commercial Bank was reconciled to the bank statements and the direct verifications from the depository while the cash in the savings accounts was verified by examination of the pass-books and the confirmation from the savings banks.

INVESTMENTS — \$171,225.69

The securities as listed on Exhibit C, Schedule 1, were examined in the presence of a trustee of the Trust Funds.

OVERSEER OF THE POOR — STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

SCHOOL DISTRICT — STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

PUBLIC LIBRARY — STATEMENT OF CASH RECEIPTS AND DISBURSEMENTS

I examined the books and records of the above departments and reconciled the bank statements as at the end of the year. All checks cancelled during the year were compared with the cash disbursements records and the receipts were traced to the bank deposits.

PAYROLL

The payroll bank statement was reconciled as at the end of the year and all checks cancelled in this period were examined.

CITY CLERK

I tested the books and records in the office of the City Clerk and

traced the daily register tapes to the cash receipt books. In addition, I tested the entries on the automobile permits, dog licenses, as well as other business licenses.

I wish to express my appreciation to all the City Officials and the members of their staffs for the cooperation and courtesies extended during the audit.

Respectfully submitted,

Leonard D. Riccio

Certified Public Accountant

May 17, 1967

CLOSING OF THE CITY CLERK'S OFFICE

February 19, 1967

Mayor Rolfe W. Camp called a meeting of the City Council and City Solicitor, Donald W. Cushing at 8:00 P. M. Sunday, February 19, 1967. All members of the City Council were present except Councilman Howard R. Kelley and Councilman Edward R. Chateaufneuf, Sr.

After reading the Audit Report from Mr. Leonard D. Riccio, it was the unanimous opinion of all concerned that the City Clerk's office should be closed and padlocked as of 11:00 P.M., Sunday, February 19, 1967 and remain closed until Mr. Leonard D. Riccio could make an audit of the office books from December 15, 1966 to February 18, 1967.

The office was reopened February 22, 1967 at 9:45 A. M., so that the auditor could proceed with the audit. The office was opened under the direction of Mayor Rolfe W. Camp. The persons present at the time of opening were as follows: Mayor Rolfe W. Camp, two Councilmen, Mr. Sheldon Morrill and Mr. Robert W. Dorman, Deputy City Clerk, Mrs. Barbara S. Lorden, City Auditor, Mr. Leonard D. Riccio and Mr. Malcolm Seaman, who is Mr. Riccio's assistant.

Mr. Riccio took charge proceeding to audit all necessary accounts of all City functions which pertain to the office of the City Clerk and the office of Tax Collector.

At least two City officials remained in the office all day until the office was locked up for the night.

The City Clerk's office was opened for regular business on February 23, 1967 at 9:00 A. M.

Accompanying this letter are the reports of the City Accountant, Mr. Leonard D. Riccio, for the year ending December 15, 1966; also the Special Audit Report for the period from December 15, 1966 to February 17, 1967.

Sincerely,

Rolfe W. Camp

Mayor of Franklin, N. H.

P. S. Details on Exhibit A- Exhibit B- referred to in the Audit Report dated May 3, 1967 omitted.

May 3, 1967

To the Honorable Mayor and City Council
City of Franklin
Franklin, New Hampshire

Gentlemen:

Pursuant to your instructions, I have made a further audit of the records of the Tax Collector and City Clerk of the City of Franklin as at February 17, 1967 and am herewith submitting my report consisting of the following:

SCHEDULE OF CASH COLLECTED ON PROPERTY TAXES —
LEVY OF 1966 NOT RECORDED IN THE CASH RECEIPT
BOOK OR CREDITED TO THE TAXES RECEIVABLE WAR-
RANT EXHIBIT A

SCHEDULE OF CASH COLLECTED ON UNREDEEMED TAXES
NOT RECORDED IN THE CASH BOOK EXHIBIT B

Attached to each Schedule are photostatic copies of either the receipts or cancelled checks in support of the items listed.

Copies of the original report to the Register of Deeds indicating the properties redeemed are also attached. The records in the Register of Deeds office were checked to the Schedule.

Based upon my examination the total cash shortage is as follows:

EXHIBIT A	\$ 3,887.77
EXHIBIT B	11,470.46
	<hr/>
	\$15,358.23
	<hr/>

In my opinion, the City of Franklin should install a better system to control and account for the cash collections.

Respectfully submitted,

LEONARD D. RICCIO

Certified Public Accountant

Franklin Public Library

REPORT OF THE LIBRARIAN

1966

We are pleased to be able to report this year a slight increase in circulation of 789. We are also pleased that 490 of this gain is in the juvenile circulation. Less satisfying is the fact that gain in both adult and juvenile is in fiction, with a loss in both adult and juvenile non-fiction. This would indicate a tendency to use of the recreational aspects of the library rather than the educational ones. The improved school libraries and increased use of paper backs may have a bearing on this tendency, but the question remains as to whether Franklin residents are availing themselves of all of the resources of the library.

Perhaps this is the place to reiterate the statement made in previous reports that a staff member to work much more closely with the children would undoubtedly pay dividends in better use of the library by the children which in turn would lead to better future use by adults. If, at a future time, the children's room were to be moved upstairs to relieve crowded conditions downstairs a children's librarian would become a necessity.

198 more books were purchased during the past year than in 1965, and the last of the money received in 1964 from the Book-of-the-Month award was spent in August.

Total number of books withdrawn was less, but more juvenile books were withdrawn than last year. To offset this, 324 juvenile books were added as against 178 in 1965.

1,150 books were borrowed from the Bookmobile in 1966 as against 815 in 1965, and more books and recordings were borrowed from the State Library in response to specific requests. We also borrowed 15 films from the State Library for use in church and club programs. The Canadian films have continued to be popular for these uses and have been used by Mrs. O'Rourke's special class and by family groups, uses not permitted for the State Library films since they are financed by Federal funds which restricts their use.

There has been no appreciable change in our registration figures. We continue to serve surrounding towns at no charge which should make our projected transition to being a service center, and the reader use of a state-wide library card "natural and painless".

Your librarian attended approximately 16 professional meetings during the year, 5 of these because of her position on the Executive Board of the New Hampshire Library Association. The Board of Trustees was also represented at the two New Hampshire Library Trustees Association meetings, and Mrs. Arnold Gibson of Tilton attended the

fall workshop of the New Hampshire Library Trustees Association, and the Friends of the Library meeting in September. Starting a Friends of the Library group in Franklin is a project which has been slowly taking shape.

An outstanding gift to the library this year was a handsome antique clock given in memory of Richard W. Sulloway by his son and daughter, Richard Sulloway and Mrs. Preston Low.

Early in the year the Rotary Club replaced the shabby and outdated Merit Badge pamphlets, and Mr. Sherman Taylor gave time to assist the Librarian in deciding which publications would be most used by the Boy Scouts.

Through the efforts of Mrs. Donald Piper, Regent, and Miss Irene Stevens, the D. A. R. obtained, with the cooperation of Senator Cotton, a flag which had been flown over the Capitol, and presented it to the library.

Another fine gift to the library was made by Mrs. John Lewis and Mr. Richard Lewis when they donated a large number of copies of "Indians of the Winnepesaukee and Pemigewasset Valleys" by Mary Proctor for sale for the benefit of the library. Twenty copies of these books were sold last year at \$3.00 each. We are grateful for many other fine gifts of books and materials which space does not permit us to list.

We again conducted a successful book sale during August, and at the November meeting of the Library Trustees, it was voted to place all money derived from the sale of books in a special fund earmarked for microfilming the Journal-Transcripts. The files of these papers are rapidly disintegrating and both the space required for storage and the need for preservation makes the transferring to microfilm imperative.

Rocks, butterflies, shells, and birds from collections which have been given to the Franklin library have been displayed during the year, and during November and December Miss Doris Peaslee generously lent part of her collection of dolls. In connection with this display the very completely furnished doll house given by Mr. and Mrs. Barnard Daniell was brought upstairs to the Children's Room, refurbished by Mrs. Hanley and Mrs. Stein, and specially decorated for Christmas. This stimulated considerable interest and received publicity over WFTN and in the Concord Monitor and the Journal-Transcript. Special displays of books were arranged appropriate to the content of the seminars on Community Problems conducted at St. Mary's School during the winter of 1965-'66, and in connection with such special events as Constitution Week, Brotherhood Week, etc. During September, Betty Bassett, local artist displayed in the Children's Room two examples of the work done by a pupil.

We have had 10 visits from school classes — 4 from Mr. White's classes for instruction in the use of the library, 5 from Special

Classes, and 1 visit from Mrs. Dickinson's third grade.

Although last to be mentioned, we do not consider our volunteer assistance of least importance. In February, with the assistance of Mrs. Keegan's Girl Scout Troop we began delivery of books to Shut-ins. The trustees, especially Mr. Shepard, have assisted with transportation. This service has been popular, especially at the Shepard Nursing Home where we are currently serving six people. The Girl Scouts have performed some other volunteer services such as filing, and two girls have completed the prescribed number of hours for their badges. One of these is now working for pay four hours a week.

Another volunteer worker during the summer months was Miss Elaina Graves of Andover. She gave her services for a half day approximately five days a week, and her assistance cannot be rated too highly. It was due to her willingness to perform sometimes uninteresting clerical tasks that we were able to carry the additional week of vacation merited by two of our assistants, and still accomplish special projects this past summer. As a result of the foresight and concern of the Mayor and Council, it was most gratifying to be able to arrange these well-earned additional weeks of vacation for three employees of over ten years standing, and it was also much appreciated when Blue Cross - Blue Shield payments were taken over by the city for its employees. In view of the fact that the city does not have a pension system these fringe benefits should aid in making city positions more attractive, thus making it possible to secure better public servants.

It has been a continued pleasure to work with our city officials, our sincerely interested Board of Trustees, and a dedicated staff to attempt to give the best possible library service to the City of Franklin.

Annual Report of the Superintendent of Schools

SCHOOL FACILITIES

A housing problem for our elementary school pupils has been evident for several years. A year ago the school board met with two representatives from the City Council to apprise the council of this problem.

In the spring a joint building committee was appointed to study this problem and recommend a solution. This committee has been working diligently for the past six months. It plans to submit its recommendations to the council for action in January 1967.

In the meantime elementary housing became so acute it became necessary in September of 1966 to place three sections of the sixth grade in the Junior - Senior High building and still rent one room at West Franklin.

In the fall of 1967 all these temporary arrangements will continue and still another room on a rental basis must be found.

Additional space for our elementary pupils requires a solution this year.

TRANSPORTATION

The 1965-1966 school year saw our school buses transporting eight hundred pupils to school in the morning and returning them home at the close of school.

The school system has four buses in regular service and one eight year old bus that is a reserve. This reserve bus is used in case one of our regular buses is unable to operate.

The five buses traveled 50,840 miles during the 1965-1966 school year at a cost of \$12,401.98. The cost of this school transportation system to our city is twenty-five (25c) cents per mile. Contracting this work out would cost approximately fifty cents (50c) per mile. Ownership, therefore, represents a considerable savings to our city.

Having our own buses, in addition to being economical provides transportation for the summer and winter programs operated by the Franklin Recreation Department.

The following chart shows how each transportation dollar has been spent for the past five years:

	1961-62	1962-63	1963-64	1964-65	1965-66
Depreciation	13c	18c	18c	20c	18c
Drivers Salaries	40c	42c	42c	36c	42c
Gas, Oil, Grease	13c	11c	12c	10c	13c
Insurance	6c	4c	4c	4c	4c
Parts, Tires, Repair	28c	25c	24c	30c	23c

FINANCE

Following are the operational costs for the Franklin Public Schools for the past three years as compare to the average for the state of New Hampshire.

Average Cost Per Pupil

	1963-1964		1964-1965		1965-1966	
	Franklin	N. H.	Franklin	N. H.	Franklin	N. H.
Elementary	302.21	310.32	284.24	326.99	331.64	401.06
Jr. High	335.67	414.06	381.50	437.62	457.68	517.89
Sr. High	427.34	466.26	442.57	493.76	462.79	588.76

Even though our school budget in Franklin have been rising, the increases still have not kept pace with the average increases in school costs in New Hampshire as a whole.

The evaluation team that examined our schools this spring had this to say on our school finances:

"Should the Franklin community attempt to pursue the school philosophy of equal opportunity for quality education, they must consider the cost. Most studies indicate a direct correlation between the quality of education and the money spent for education. Franklin may well determine the need for quality education warrants additional monies, be they local, state or federal."

"The School District pay careful attention to the relationship between their costs and the state average cost for high schools."

MAINTENANCE

A Hancock School all classrooms were painted, the heating system was completely overhauled, and new ceilings installed in two classrooms where the old original plaster ceiling dropped away from the ceiling lathe.

All classrooms at Daniell Junior High School were painted, also the cafeteria, fire doors in the High School and Addition.

The smoke stack and parapet at the Senior High School were repaired to take care of loose and cracked masonry.

Fluorescent lighting was installed in the ground floor corridor of the High School.

Many minor repairs of building and equipment were also accomplished.

SCHOOL LUNCH

The School Lunch Program is continuing to grow bigger each year. In terms of dollar volume during the 1965-1966 school year this program did a \$56,000.00 business. Since this program must operate on a non-profit basis good management is of utmost importance.

The following table clearly shows the growth over the past eight years by comparing the average number of pupil lunches served daily for the month of November for these years.

November 1959	427 lunches
November 1960	431 lunches
November 1961	468 lunches
November 1962	466 lunches
November 1963	582 lunches
November 1964	660 lunches
November 1965	733 lunches
November 1966	782 lunches

LOOKING AHEAD

As reported last year the major problem confronting our educational system as we look to the future is the lack of adequate elementary classrooms to properly accommodate the number of children attending the public elementary schools.

All our schools were evaluated in the spring of 1966 by people outside our school system. Two teams representing approximately forty people from New Hampshire, Maine, Vermont, and Massachusetts spent three days checking our school system. Following this visit a written report of their observation was sent to us.

To maintain our accreditation it will be necessary for us to implement recommendations made in these reports. This will take two or three years. Many of the recommendations can be accomplished through our own time and efforts. There are others that will require financial outlays.

Following are the reports from our school administrators, directors, and supervisors summarizing the work in their field during 1966.

HERMAN N. DONEGAN

Superintendent of Schools

Report of School Nurse

1966

An education aimed at the development of the whole child cannot work in the dark. It must have information about its changes. Administrators and teachers whose aim it is to assist in the total development of the child must know of these factors which are likely to interfere with their physical and mental growth. The School Health program, thus, deals realistically with improving the health of its constituents. In so doing the school must have complete cooperation of the parent, private physicians, dentists and various community agencies. The following report points up the cooperative role of the school, home and community in conserving the health of the Franklin school children.

Over two thousand, two hundred children received routine inspections which includes height, weight, posture, condition of hair, and general condition of mouth and teeth. Obvious irregularities were referred to parents with recommendations for follow up by family Physician and Dentist immediately. Others were kept under observation by the teacher and nurse. If the condition continued these were also referred.

No area of activity in school, health and education bring so many benefits to so many children as does a well planned and administered vision and hearing screening program. We performed two thousand four hundred and eighty two vision screenings. About one hundred and ninety cases were referred to the family Ophthalmic Doctor. One hundred and seventy two of these pupils were fitted to corrective glasses. The new T/O school vision tester which was purchased by the School Board facilitated the numerous screenings and certainly contributed to their accuracy. Two thousand three hundred and sixty eight hearing tests were given, forty six of our pupils were considered to be outside of the normal range in one or both of the ears and were referred to the family physician. In many instances the situation was quickly remedied. The new Maico audiometer purchased by the School Board was most effective and accurate.

Twenty one children were regular attendants of the New Hampshire Crippled Children Clinics, with a total of forty six visits. These clinics were held in Manchester, Concord and Laconia and Hanover. Children with orthopedic problems generally need long termed costly observation and treatment. This has been provided for very adequately by the New Hampshire Crippled Children services a branch of the New Hampshire Board of Health.

Flu shots were offered to the entire school faculty. Forty four teachers and kitchen personnel received the series of two shots which is considered the maximum protection.

All children are requested to have a complete physical examination prior to entering school. This gives a complete medical appraisal and

facilitates us in assisting this child to acclimate to school life. Pre-school Clinics were held in May, one hundred and twenty four children attended the clinic with their parents. These children were weighed, measured and vision screenings were given.

Very prominent in the total effort against communicable disease has been the rise of immunizing agents which increase the specific resistance of the potential victim. It is with this thought in mind we held each year in connection with the Visiting Nurses Association, the Toxoid Clinic. This year three clinics were held at the City Hall, two in March and the last one in May. One hundred and forty five school children were given immunizations at this time. Offered at these clinics were Smallpox vaccinations, Diphtheria Toxoid Shots, Toxoid Booster Shots and Sabin Polio Vaccine oral Drinks. These clinics were held for the pre-schooler, kindergarten and first grader who had not previously received the necessary immunizations.

Active Tuberculosis cases within the confines of our state have been on the rise during the last few years. A control program is the only answer to date. We conducted such a program, recommending during the month of February skinneedle testing for all pupils in the first, fourth, eighth and twelfth grades. Ninety per cent of the teaching faculty, one hundred per cent of the cafeteria personnel, forty per cent of the custodial voluntarily participated in this program. We tested over six hundred and eighty people, eight adults and eighteen pupils proved to be positive reactors. These were followed up with chest X-Rays. We held an X-Ray Clinic sponsored by the New Hampshire Tuberculosis and Health Association at the Franklin High School in March. Over two hundred and sixty one X-Rays were taken, these included all the positive reactors to the T. B. test, contacts of these reactors, previous reactors, and athletes. I feel this to be a completely successful diagnostic T. B. testing program.

Dental decay and loss of teeth has been the major health problem among our school children. Dental education, care and treatment are urgently needed among every age group within our schools. In an effort to relieve the situation we have instituted a Dental Clinic in the Franklin schools for the very first time. The materials and equipment used are provided for by the New Hampshire Department of Dental Welfare. We hired a dental hygienist to clean and give fluoride treatment to any and all youngsters in grades one through six. Over five hundred children participated in this program. The program paid for itself as all parents were asked for a minimal donation, however, no youngster was denied. Any parent who felt that their child would benefit from such treatment was included. The Franklin Kiwanis and Franklin Knights of Columbus underwrote any additional cost.

The tremendous popularity of interscholastic sports makes the supervision of the health of the participants signally important. Dr. Robert Morin, Athletic Physician examined participants with a complete phy-

sical examination, urinalysis, sixty two received tetanus toxoid booster shots, and one hundred and eighteen received X-Rays.

Good nutrition is the very basis of good health. It is of paramount importance during the growing process. Faulty nutrition paves the way for many disorders in children and contributes far reaching effects in adults. We in the Franklin Schools are very conscious of these effects. Total lunches served to deserving and needy pupils was four thousand six hundred and seventy two lunches, at a cost of five hundred and seventy three dollars. The money for these lunches was made available through the generous donations received from the Melinda Tobie Fund, the Franklin Rotary, Franklin Kiwanis, Catholic Daughters, Knights of Columbus, Franklin Emblem Club, The Timely Club and the Methodist Church W. S. C. S. On behalf of these children I wish to express my sincere gratitude for this financial assistance.

Five hundred and fifty six first aid treatments were performed in my office fortunately the majority were minor. All the major problems were referred to the parent with advice for further medical attention by the family physician.

One hundred and seventy six house calls were made during the past year.

In cooperation with the community efforts to provide a Merry Christmas for our less fortunate youngsters, toys, food and clothing were distributed during the holiday season.

I wish to acknowledge the tremendous cooperation of the faculty, parents, pupils, the Doctors, Dentists and members of this community for their cooperation and assistance in guiding me to maintain better health for our school children.

It has been a very busy year but a most enjoyable one.

Respectfully submitted,

MARTHA GILCHRIST, R. N.

School Nurse

ANNUAL REPORT

OF THE

FRANKLIN VISITING NURSE ASSOCIATION, INC., 1966

The Franklin Visiting Nurse Association, with headquarters in the City Hall, has completed its twenty second year of these objectives: providing families with health instruction, skilled nursing, and therapeutic care; preventing disease; and promoting individual, family, and community health.

Mrs. Priscilla Doucette, R. N., reports the following statistics for her year's work:

Total visits	2692
Home visits	1956
Office visits	636
Admissions	64
Average Case Load	46

In cooperation with the School Health Department and the Bureau of Communicable Diseases, diphtheria, whooping cough, tetanus, oral polio, small pox, and measles, vaccines were administered at immunization clinics on March 1, March 31, May 3, and August 4. Attending physicians were Doctors Beaudet, Chase, Lord, and Morin.

Mrs. Doucette makes follow-up visits for Crippled Children's Services, Heart Program, Convulsive Clinic, and Child Guidance.

Mrs. Matilda O'Brien assisted and substituted for Mrs. Doucette from May to October.

In June, the nurse attended a weeks seminar on public health at St. Anselms' College and in the fall, a five evening course on "The Stroke Patient" at the Franklin Hospital.

On July 1, the association was accepted as a Home Health Agency under Medicare. Adaptation to this program with its bookkeeping seminars and extension of clerical duties has been capably managed by Mrs. Josephine Beaudet, Treasurer.

The executive board and members of the association assisted throughout the year with clinics, the annual rummage sale, and Christmas projects.

Financial report:

Expenditures:

Total salaries	4,421.61
Social Security	185.74

Laundry	6.71
Nurse's supplies	332.95
Office supplies	38.00
Telephone	132.73
Car Expense	1,858.53
Income:	
Received from city	2,500.00
Received from N. H. Welfare and Aging Program and patient contributions	2,662.80

RESOLUTION

NO. 1

In the year of our Lord one thousand nine hundred and sixty-six. A resolution relating to borrowing money in anticipation of taxes. Resolved by the City Council of the City of Franklin as follows:

That for the purpose of paying current maintenance and operation expenses, the Treasurer, with approval of the Mayor and at least a majority of the Standing Committee on Finance, be and hereby is authorized, under and pursuant to the Municipal Finance Act, from time to time during the current financial year ending December 15, 1966, to issue and sell at discount, notes of the City of Franklin in anticipation of taxes of said financial year not exceeding in aggregate principal amount outstanding at any one time six hundred thousand (\$600,000) dollars; all such notes shall be signed by the Mayor and countersigned by the City Treasurer, shall have the city seal affixed thereto and shall bear the authenticating certificate of The First National Bank of Boston, in Boston, Massachusetts.

Approved:

Rolfe W. Camp
Mayor

RESOLUTION

NO. 15

In The Year of Our Lord One Thousand Nine Hundred and Sixty-Six
A Resolution Authorizing The Issuance of Bonds For Sewer Construct-
ion purposes.

Resolved by the City Council of the City of Franklin that:

1. A public work and improvement of a permanent nature is hereby authorized, namely, the construction of a sewer project generally in accordance with the recommendations for an initial construction program proposed in the report entitled "City of Franklin, New Hampshire, Report on Sewerage and Sewage Treatment, January, 1965" prepared by Camp, Dresser & McKee, Consulting Engineers, Boston, Massachusetts, including sewerage treatment facilities, pumping stations and interceptor sewers, at a total estimated cost of \$2,500,000.

2. The sum of One Million Five Hundred Forty Thousand (1,540,000) Dollars, together with the proceeds of any grant or grants of federal aid for such project (presently estimated to be \$960,000), is hereby appropriated for the aforesaid project, said appropriation to be raised by borrowing as hereinafter provided;

3. There be and hereby is authorized under and pursuant to the Municipal Finance Act, and any other enabling authority, the issuance of serial coupon bonds of the City of Franklin aggregating \$1,540,000 in principal amount. Said bonds may be issued and sold at one time or from time to time as one or more separate bond issues. Subject to applicable provisions of law and of this resolution, discretion to fix the date, the annual maturities, place of payment, interest rate, form and other details of each issue of such bonds and of providing for the sale thereof is hereby delegated to the City Treasurer with approval of the Mayor;

4. The proceeds derived from the sale of said bonds be and they hereby are appropriated for the purposes set forth in the first paragraph of this resolution as specified therein, provided, however, that any premium arising on the sale of any issue less the cost of preparing, issuing and marketing the bonds shall be applied to the payment of the principal of the first bonds of that issue to mature; and

5. It is hereby determined that the said sewer construction project has an expected useful life in excess of thirty (30) years.

ORDINANCE

An Ordinance Amending the Ordinance pertaining to traffic regulations

In the year of our Lord one thousand nine hundred and sixty-six.
Be it ordained by the City Council of the City of Franklin as follows:
Amend Chapter 13, Sections 15a, 15b, and 15c by striking out all or said sections and substituting in place thereof the following new sections:

Section 15a. No automobile or other vehicle shall be parked or left on Central Street between Church Street and Sanborn Bridge, or on Franklin Street between Central Street and Church Street, or on Memorial Street between Central Street and Canal Street, or on North Main Street and South Main Street between Webster Street and the south side of Central Street, for more than two hours continuously between the hours of 9:00 A. M. and 5:30 P. M. on Monday, Tuesday, Wednesday, Thursday and Saturday, and on Friday of any week between the hours of 9:00 A. M. and 9:00 P. M., legal holidays excluded.

Section 15b. No person, firm or corporation, shall allow, permit or suffer any automobile, or other vehicle registered in his or its name, or owned by him or it, to stand or park in any parking space in violation of this ordinance, and the person, firm or corporation in whose name such vehicle is registered or owned shall be prima facie responsible for such violation.

Section 15c. It shall be the duty of the police officers of the City of Franklin, acting in accordance with instructions issued by the Chief of Police, to attach to any vehicle parked in violation of this ordinance, a notice to the operator or owner thereof, that such vehicle has been parked in violation of this ordinance, and instructing such operator or

owner to report immediately to police headquarters of the City of Franklin. The date and time such notice is attached to such vehicle and the State registration number of such vehicle shall also be given on such notice. Each operator or owner violating this ordinance may, within forty-eight hours of the time when such notice was attached to such vehicle, in lieu of Court proceedings under the provisions hereof, voluntarily pay to the Police Department of the City of Franklin the sum of one dollar for the first such violation in any calendar year and the sum of three dollars for the second such violation in any calendar year. If such fines are not paid as herein provided, then such operator or owner convicted of violating this ordinance shall be fined not more than ten dollars. Any person convicted of violating this ordinance for any violation in excess of two violations in any calendar year shall be fined not more than ten dollars.

Approved:

Rolfe W. Camp
Mayor

Passed: July 6, 1966

ORDINANCE

An Ordinance Amending the Ordinance Pertaining to Loitering
In the year of our Lord one thousand nine hundred and sixty-six.
Be it ordained by the City Council of the City of Franklin as follows:
Section 1

Amend Chapter 7 (Loitering) of the Revised Ordinances of 1932 by striking out all of Sect. 1 and substituting in place thereof the following new section:

"Section 1. No person shall sit, stand or loiter in or about any street, sidewalk, municipal land or building, or any other public place in the City of Franklin, or in or about the doors, windows or entrances to any store, shop, office, house, public hall, theatre or other public building in the City of Franklin, except the owners or tenants thereof, after having been requested by any owner, tenant or custodian thereof or by the City Marshall or any police officer to depart therefrom."

Approved:

Rolfe W. Camp
Mayor

Passed: November 7, 1966

ORDINANCE

An Ordinance Pertaining to the Drinking of Liquor or Beverages. In the year of our Lord one thousand nine hundred and sixty-six. Be it ordained by the City Council of the City of Franklin as follows:

Section 1. No person shall drink any liquor or beverage, as defined by New Hampshire Revised Statutes Annotated, Chapter 175, in or on any public highway or sidewalk in the City of Franklin or in or on any municipal building, park, beach, parking lot, land or other facility of the City of Franklin, without first obtaining a written permit as hereinafter provided.

Section 2. Permits to drink any liquor or beverage in or on any municipal facility which is under the management and control of the Board of Education of the City of Franklin must be obtained from said board. All other permits required by this ordinance must be obtained from a committee consisting of the Mayor, Chairman of Police Committee and Chairman of the Parks and Recreation Commission of the City of Franklin.

Section 3. Any person convicted of violating this ordinance shall be fined not more than twenty dollars.

Approved:

Rolfe W. Camp
Mayor

Passed: November 7, 1966
